Soothing skin.  
Sebum Control.  
Reducing pores.  
Improving Skin Trouble

Soothing skin.  
Sebum Control.  
Reducing pores.  
Improving Skin Trouble

Natural plant extracts  
moisturize your skin  
and remove free  
radicals to make your skin  
moist and elastic.

Moisturizing skin all day long,  
supplying oil and moisture,  
calming and balancing skin,  
recovering skin barriers,  
elastic and smooth skin.

### Primer

Real moisturizer filling moisture  
deep inside the skin Making smooth  
and uniform skin texture

The product's main ingredient,  
hyaluronic acid

Anti-aging

Forming a  
moisturizing  
layer

Skin  
elasticity

Skin  
protection

### Make-up Base

Calibrate skin tone  
naturally

### Sun Cream

Protecting skin by  
blocking ultraviolet rays  
SPF 50+ / PA++++

### Foundation

Covering skin naturally with thin spreadability  
Making gentle gloss with moisturizing gloss oil

### PRIMER

The outside is smooth and  
dry, while the inside is moist

Pore care by using a smoothing effect  
- making smooth, uniform skin  
The product's main ingredient,  
hyaluronic acid  
- Make the outside smooth and dry,  
while making the inside filled with  
moisture, forming a moisturizing layer  
- Full-scale skin protection

### GLOSS

Shine gently and  
beautifully

Double Aura Glow System  
A perfect balance between moisture  
and gloss oil has been discovered.  
- Our products do create not artificial  
light but gentle gloss like fluorescent  
light.

"Full coverage foundation cream that  
lasts all day long"

BB Cream + CC Cream + Power Coverage

30ml

### ANTI-GREASY

Fluffy and hydrated feeling after gentle application.

### SOOTHING EFFECT

Aloe vera extract and cotton seed extract soothe skin  
tanned by sunlight.

### Aqua Metrix System

Making skin cool, flexible and moist  
by stabilizing moisture on stick matrix.

"Suncream soothing skin exhausted  
by sunlight by fully moisturizing skin"

50ml

### LONG LASTING

Long-lasting sunscreen brightening skin.

### SOFT FEEL

Suncream without white film and stickiness that is gently  
and neatly applied.

### WATER FLUX

Maximizing moist feeling by Water Flux effect as  
water pops up immediately after application.

### SOOTHING EFFECT

Aloe vera extract and cotton seed extract soothe skin  
tanned by sunlight.

### Water Flux Technology

Water Flux technology stimulates long lasting effects without  
being sticky but by allowing product to remain on skin for a long  
time. As water pops up immediately after application, the sense  
of moisturization is maximized and friction on skin is minimized.
